- B. I am Lina. My aunt works in a hospital. Yesterday, I went there to meet her after work. I was waiting by the entrance when a doctor showed me the café. It was on the ground floor. I had a drink and read a book while I waited.
- C. I am Faisal. We live on the fifth floor of an apartment building. The lift was not working yesterday, so I took the stairs. On the second floor, I met a boy who was carrying a lizard. On the fourth floor, a girl was playing the flute. I enjoyed my walk upstairs!

Last month, our class visited an old palace. We met our guide at the entrance. First, she took us upstairs to a room with paintings. She told us about the artist who painted them. I was looking at a picture when my friend noticed a little door. It was not a secret room. It was a cupboard for books! Later, we went downstairs to the café and wrote notes about our visit. I enjoyed learning about the past. For homework, I wrote a short story about the palace and its paintings.
